Dear Steve,

I just wanted to take some time to thank you for letting me know about the Tug. It is absolutely the best competitive tool I have used in my 22 years of coaching. The Tug brings out more in a person than just who is the biggest, strongest, or fastest. It measures want too!

We also so use the Tug for rehabilitation, strength training and just for plain fun.

Thanks for your support.

Sincerely,

William Hicks, CSCS
Head Strength Coach
